

Our Class Charters

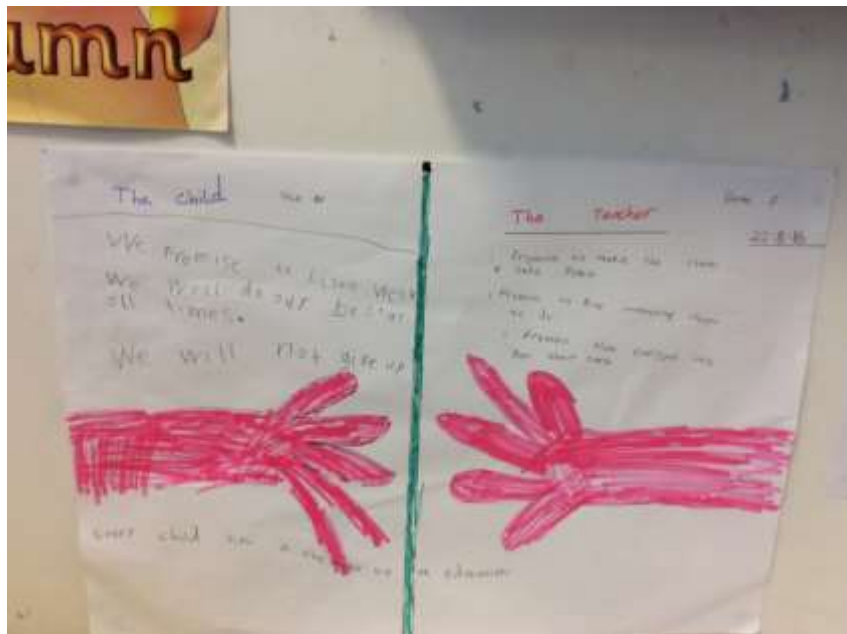

“Respect for Oneself, Others, Opportunities and Our Learning”

At the beginning of the year, each class decided upon a charter. Everyone had to think what children's rights suited their class best and how they would like to represent it.

Our Class Charters have ideas on them that children and adults can do to make our classrooms and school an even better place to be.

We use our Class Charters to help us resolve conflict and to promote positive attitudes in our school community.
