

P3 Home Learning for March 2018

The activities in bold with an asterisk must be completed. All others activities are extension tasks. In addition, continue to discuss and read your reading book at home and revise the spelling the patterns on the reverse of this sheet (using ideas from the 'spell well activities' sheet). Pupils will have an opportunity to share their learning with other members of the class and display their work on the home learning wall on the dates highlighted below.

Block 1 Sharing of Learning Opportunity - Week beginning 12th March	Practise these activities throughout the month:	Block 2 Sharing of Learning Opportunity - Week beginning 26th March										
<p style="text-align: center;">*SCIENCE*</p> <p style="text-align: center;"><u>I am learning to identify living, non living and dead things in my local habitat</u></p> <p>Go on a nature walk in your local area such as the park or your garden. Look for signs of living, non-living and dead things and sort these into the attached table.</p> <p>Can your child talk about the seven processes that living things show (MRS GREN?) Can they give an example of a food chain linked to a living thing they have seen?</p>	<p style="text-align: center;">*SPELLING*</p> <p style="text-align: center;">Practise this month's spelling words using the Spellwell activity sheet.
