

## P4 Home Learning - December

The activities in bold with an asterisk must be completed. All other activities are extension tasks. In addition revise the spelling patterns on the reverse of this sheet (using ideas from the 'spell well activities' sheet). Pupils will have an opportunity to share their learning with other members of the class and display their work on the home learning wall on the dates highlighted below.

We plan to give these cards to a local elderly resident.

Could all cards please be handed into your class teacher by

**Friday 14th December.**

##### \*Spelling\*

Complete Spell Well activities using spelling words overleaf.

##### \*Reading\*

Read for Enjoyment every day. Choose a setting from your book and use evidence from the text to draw it.

##### \*LITERACY\*

I am learning to recognise how adverts try to persuade people to buy

During Prospect Week we have participated in market research, designing, making and pitching a product to our 'customers'. We would like you to design a magazine advert for your product.

To help you could look at adverts in the press. How do they try and make you buy the thing they are selling? Look out for slogans and phrases that they use. How is the advert set out? How big is the writing on the advert? Where is it? Does the advert use a picture to get your attention?

- Cool - Use big bold writing and a picture
- Hot - include a slogan
- Spicy - include a persuasive paragraph about why your customers should buy it.

##### Pentland's Vision

*'Pentland is a strong school community, striving to deliver learning that is real, fun and inspiring for all.'*

*Describe a piece of learning to someone at home that you feel was real, fun and inspiring.*

*You will have a chance to discuss this during a reflection time in class*
