

P7 Home Learning

February 2018

The activities in bold with an asterisk must be completed. All others activities are extension tasks. In addition, continue to discuss and read your reading book each week and revise the spelling the patterns on the reverse of this sheet (using ideas from the 'spell well activities' sheet) Pupils will have an opportunity to share their learning with other members of the class and display their work on the home learning wall on the dates highlighted below.

| <p><u>Block 1</u> Sharing of Learning Opportunity - Wkb 19th February</p> | <p>Practise these activities throughout the month:</p> | <p><u>Block 2</u> Sharing of Learning Opportunity - Wkb 26th February</p> |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><u>*WIDER ACHIEVEMENT*</u> JASS Silver Continue to work on your JASS Silver Award. Remember to ask your teacher or another adult at home if you need help or advice.</p> | <p><u>*SPELLING*</u> Look for other words that have your spelling patterns and rules in them.</p> <p><u>*WHOLE SCHOOL READING CHALLENGE*</u> In preparation for World Book Day, do some extreme reading! Draw a picture or take a photograph of you reading somewhere you wouldn't expect! Be as creative as you can and bring it in to share with the class.</p> | <p><u>*WORLD WAR II*</u> Literacy, Maths, Health and Wellbeing, Social Subjects and Expressive Arts.</p> <p>I can apply my learning in a variety of contexts.</p> |
| <p>MATHS <u>I am learning about the impact of maths in the wider world</u> Secret codes and code breaking were crucial during World War II. Find out the work done in this area during the war and why it was so important both then and now. Suggestions: you might want to find out about the Enigma Machine or how Morse Code works. Present your findings in your chosen way.</p> | <p><u>*NUMERACY*</u> <u>I am learning to recall all multiplication and division facts.</u></p> <p>Revise all your tables facts (including division)</p> <p><u>Cool</u> - focus on 3x and 4x table <u>Hot</u> - focus on 7x, 8x and 9x tables <u>Spicy</u> - all multiplication and division tables</p> <p><u>As a chilli challenge can you extend your tables beyond ten?</u></p> | <p>Choose <u>at least one</u> activity from the attached sheet and once completed, bring it in to share with the class.</p> |
