

**Edinburgh Bear is happy to see his friends at school.**

**Edinburgh Bear has a special group of friends and special adults who help him.**

**If he sees adults and children who are not in his group, he waves and smiles at them.**

**This helps to keep everybody safe and healthy.**

**Edinburgh Bear loves to play with his friends!**

Everyone needs to cough and sneeze sometimes at school.

When we cough and sneeze we blow out our germs!

Edinburgh Bear knows it is important to catch his coughs and sneezes in his elbow or in a tissue.

Edinburgh Bear knows he must put his tissue in a bin.

He is very good at washing his hands when he is finished.

Then everyone is happy and healthy at school!

Everybody has to wash their hands a lot at school.

The adults will remind you when it is time to wash your hands.

Edinburgh Bear is very good at washing his hands.

He remembers to wet his hands with warm water.

He washes all round his fingers, hands and wrists.

He dries his hands and puts the paper in the bin.

This helps to keep healthy.

everyone

Edinburgh Bear likes to eat at school. Edinburgh Bear can't help with the food anymore. This makes him sad.

| Edinburgh Bear knows the things he can do to help.

He can wash his hands very well until they are squeaky clean.

He can sit with some friends. He can eat his own food and drink his own drink, and when he has finished, he can get his dishes ready to be washed.

... is fun!

Everybody has to go to the toilet sometimes at school.

When Edinburgh Bear goes to the toilet he knows he has to take his turn and he can ask an adult to help.

Edinburgh Bear is very good at remembering to flush the toilet and wash his hands when he is finished.

Then everyone is happy and healthy at school!

School has been closed for a long time, because some people have been ill with a virus called Covid-19.

Edinburgh Bear missed his friends.

Edinburgh Bear is very happy to start school, but everyone still needs to keep safe.

So at school we have special Bear Hugs now!

Wrap your arms around yourself, smile a big smile and wiggle!

You can still hug your family, and if you need a hug at school you can hug the adults and children in your group.

Welcome back to school everyone!
